2021 Domäne Wachau Achleiten Grüner Veltliner Smaragd	Wachau, AUT	49	220

2016 Château Musar Cabernet Blend	Bekaa Valle, LEB	53	265
-----------------------------------	------------------	----	-----

A legendary Lebanese blend of Cabernet Sauvignon, Cinsault, and Carignan. The nose showcases dried red cherries, plum compote, leather, cedar, tobacco and earthy spice. Medium to full-bodied, smooth tannins, vibrant acidity, and a savoury umami finish.

2018 G.D. Vajra Ravera Barolo	Piemonte, IT	79	395
-------------------------------	--------------	----	-----

The 2018 vintage presents lifted aromas of rose petal, wild cherry, anise, and crushed herbs, with subtle notes of tar and iron. NOUN: TERROIR

/tɛr'wɑː, French tɛrwar/

The complete natural environment in which a particular wine is produced, including factors such as the soil, topography, and climate.

The characteristic taste and flavour imparted to a wine by the environment in which it is produced.

AN ICON OF THE HUNTER VALLEY

Tyrrell's is as much a part of the fabric of the Hunter Valley as the Semillon and Shiraz vines we've been nurturing since our founder, English-immigrant Edward Tyrrell, first planted them during the mid-19th century.

Over those 160-plus years, Tyrrell's has been a constant in both the Hunter Valley and Australian wine industries. We helped to pioneer what are now two of Australia's favourite wine varieties – Chardonnay and Pinot Noir – and have been instrumental in establishing Hunter Valley Semillon as one of the world's iconic wine styles. Our Vat 1 Semillon is Australia's most awarded white wine, having won almost 5,500 medals and more than 330 trophies.

With a fifth generation now involved in the business, Tyrrell's will continue to remain family run, with each generation focused on passing the business to the next in better condition than they received it, all the while being guided by Edward Tyrrell's motto: "Nothing is great unless it is good."

"While the Hunter Valley was Australia's first grapegrowing region, it's still a progressive wine region. It's all about keeping half an eye on the past and one and a half eyes on the future."

Chris and Bruce Tyrrell

Tyrrell's is proud to announce that as of October 2023, our Hunter Valley Winery and Vineyards are now officially endorsed as "Certified Members" of the national Sustainable Winegrowing Australia program.

This means that wines produced in our Hunter Valley Winery with grapes grown from our Hunter Valley owned or-managed vineyards may now be classified as sustainable and sold and marketed with these credentials.

PHILOSOPHY

Mount Mary, a family-owned single vineyard estate in the heart of the Yarra Valley, has been dedicated to premium wine production since its establishment in 1971 by John and Marli Middleton. As one of the region's early pioneers, the estate continues to uphold a legacy of excellence and innovation.

While not certified organic or biodynamic, Mount Mary is deeply committed to sustainable viticulture and environmental stewardship. The focus is on building a resilient ecosystem and maintaining soil health to ensure the long-term vitality of the vineyard and the continued evolution of its wines.

This commitment is reflected in practices such as applying compost to enrich soil microbiology and organic matter, using small amounts of organic fertilisers to support vine nutrition, and mulching with straw in selected blocks to improve water retention and soil structure.

Driven by a philosophy of quality, integrity, and process, Mount Mary strives to craft wines of elegance and longevity—wines that bring joy to those who seek them.

WIRRA WIRRA

The winery was built in 1894 by an eccentric former state cricketer, who absconded to McLaren Vale after embarrassing his family one too many times. It was re-built in the late 1960's by a visionary who dreamt of returning Wirra Wirra to its former glory. Greg Trott did more than that, he created a legacy of being dedicated to your craft while being equally serious about having fun and enjoying life.

“Sustainability is not just a box ticking exercise at Wirra Wirra. We are constantly looking to make all areas of our winery, tourism spaces and vineyards more sustainable”.

Chief Winemaker Emma Wood

SINGLE VINEYARD

2023 Yandra Vineyards Chardonnay	Adelaide Hills, SA	120
----------------------------------	--------------------	-----

Pale straw with pear green at the edge. An exquisite nose combines subtle flint with citrus blossom, verbena and white peony. Uncompromising varietal purity is joined by secondary complexities as baked almond pastry and subtle spice reveal time in oak with elegance and subtlety. Crispy freshness blended with lemon curd, natural yoghurt and crème fraîche flavours. The gentle layering of secondary elements (hazelnut, biscuit and almond meal) builds shape and body, with stunning length and persistent, fine texture.

2023 Flower Vineyard Grenache	McLaren Vale, SA	120
-------------------------------	------------------	-----

On the palate, raspberry coulis and blood orange is vibrant and piquant to its core. Chalk and graphite; energy and tension are enveloped in sandy tannins. A wine with boundless verve, energy and electric personality.

ASHTON HILLS VINEYARD WINES

Ashton Hills is a three-hectare vineyard that lies in the Piccadilly Valley sub-region of the Adelaide Hills on a ridge just below the summit of Mount Lofty. The estate was founded by Stephen George in 1982 and since that time it has built a reputation as one of Australia's finest proponents of pinot noir and cool climate whites.

Nestled in the Piccadilly Valley, the Ashton Hills vineyard is climatically different to the rest of the Hills, being significantly colder and wetter. At one of the highest altitudes in the Adelaide Hills the vines shudder through some of the coolest growing conditions in the country, with rainfall a whopping 1200mm a year, well over double that of the Barossa Valley. So whether it's the lifted perfumes and elegant structure of the Pinot Noir or the crisp purity of the Riesling, Piccadilly Valley's bona-fide cool-climate imprint is a feature of the wines.

As one of Australia’s oldest family-owned wineries, Henschke has been making wine for over 150 years in the Barossa’s Eden Valley. Established in 1868, Henschke is resolute in its desire for complete integration of vineyard and winery, through six generations of family grapegrowing and winemaking tradition in the Eden Valley, Barossa Valley and Adelaide Hills.

Hill of Grace and Mount Eldestone are arguably the two oldest single vineyard wines produced in this country that tell the wine story of Australia.

“Our vision would not be complete without the expectation that future generations will uphold and perpetuate our belief that such ancient and unique single-vineyard sites can produce exceptional wines that are prized for their beauty to rarity”.
